

Lake Tuggeranong Sea Scout Group

Dino Jugovac
Managing Director
D-Group Commercial

Dino,

The Lake Tuggeranong Sea Scout Group would like thank you for your recent support of our scout hall deck re-establishment project.

The Lake Tuggeranong Sea Scouts is a community, non profit group that depends on our members families for the maintenance of our facilities and infrastructure to deliver the scouting program.

The DGroup's assistance though the provision of plant and expert operator has enabled us to get the concrete slab excavation completed in a timely manner, preserving volunteer effort for work on other phases of the project. We are especially thankful for Mr Ron Claton's expert advice, execution of the job and donation of his time.

Yours in Scouting

Michelle Taylor
Group Leader

Paul Sheahan
Group President

Scout Leader Lisa Daly with scouts James and Tom, thanking Mr. Clayton
